and Practical
Conference**

TRANSFER OF INNOVATIVE TECHNOLOGIES 2020

KNUCA, Povitroflotsky Avenue 31, Kyiv, Ukraine, 03037
<http://library.knuba.edu.ua/node/37841>
<https://tit-conference.jimdofree.com>

Founder of conference

Kyiv National University of Construction and Architecture

Co-organizers

- ✓ Kyiv Office the Polish Academy of Sciences
- ✓ NAS E.Paton Institute of Electric Welding of Ukraine
- ✓ Academy of Construction of Ukraine
- ✓ Admiral Makarov National University of Shipbuilding
- ✓ Jiangsu University Science and Technology (China)
- ✓ Silesian University of Technology (Poland)

Problems

Original works and authoritative reviews of innovative technologies in construction, architecture, other fields of science and technology

New solutions and methods for measuring, predicting and studying the properties of materials, structures, technological processes

Different aspects of design, production and operation of industrial, civilian objects, infrastructure

Problems of energy, ecology, computer and information technology
